

ProLimiter[®] News

Innkeeper's edition • Interesting news from Hotel/Motel Operators

Hundreds of Inns are using ProLimiter[®] Sunshine and Lemonizer to easily convert smoking to non-smoking rooms and cut their costs at the same time.

ProLimiter gives you the option of beginning each day with all non-smoking rooms

Each concentrated gallon makes 8 plus gallons of ready to use

Managers comments

(Names and locations furnished upon request)

Property in Pennsylvania reports; Worked where nothing else did.

Property in Illinois reports; Our housekeepers will not work without ProLimiter Sunshine on their carts. Sunshine is a must for all of our cleaning. I've not been to any property that didn't benefit from ProLimiter Sunshine!

New York Inn reports; First impressions are important. We spray the entry of each room before check-in. The first thing a guest experiences is the fresh fragrance of ProLimiter Sunshine. We get compliments nearly every day.

Manager in Michigan reports; The most exciting thing about ProLimiter Sunshine is using it. In all my experience I've never had the rooms smell so great. It converts smoking rooms and reduces my costs.

A Property in Massachusetts's reports; The lobby, halls, rooms, everywhere takes on the fresh "sunshine" and nothing has ever converted things back to normal like ProLimiter Sunshine. We love it and we would not be without it. Thank you.

(Non-smoking guest)

Manager in North Carolina reports; When I read your fax on how well ProLimiter cleaned, I started using it everywhere for general cleaning. My housekeepers love it and they like not having so many items on their carts.
